It was proposed to recommence play on Friday 3 December.

The President called for opinions, both for and against the proposal.

After everyone had spoken and voiced their opinions and asked questions, the President called for a show of hands, both for and against the proposal.

With votes for 11 and against 3, it was decided to open the rooms and resume play ( for holiday bridge) from 3 December 2021.

- 1        Players must be fully vaccinated.
- 2        Proof of vaccination must be shown before entry into club. This can be the vaccination passport or, at the very least, the blue and white card issued when vaccinations given.
- 3        Mask wearing is encouraged.
- 4        There will be no tea/coffee etc served. Whilst there will be a short comfort break in the middle of the session, players are requested to bring their own water bottle/ flask for refreshment.
- 5        At the tables hand sanitising must be frequent. There is sanitiser at the club, but individuals' own is encouraged.
- 6        East/West pairs will move round the room carrying their own bidding box from the first table they have sat at. This means everyone will only be touching 1 bidding box for the afternoon.

There being no further business, the meeting was declared closed at 4.30pm
