

# OREWA BRIDGE CLUB – CASHLESS TABLE MONEY

**1. Deposit a lump sum** of your choice (but at least \$20.00) to the club's **Table Money account:**

**12-3046-0210584-01**

(Please note this is different from the account into which you pay your club subscription)

Reference the deposit with your  
first name

last name

NZBridge computer number

**Your bridge number must be in the third reference field and please double check that it is correct.**

Ongoing top ups to keep yourself in credit must be done in exactly the same way. These will be credited to member accounts weekly (not daily) – usually on Tuesday afternoons.

*All credit balances in your member account remain your property.*

## **2. Set up your login**

**You will be able to monitor your account online.** To do so, set up your access to it in a once only process, as follows:

Go to [www.mycompasss.com](http://www.mycompasss.com) (Note the triple s in compasss)

Select

then follow the procedure to set up your username and password.

User name example is alisonbeer – no spaces, no special characters. Your password can be anything you like as long as it has at least 6 characters.

## **3. Monitor your balance**

Go to [www.mycompasss.com](http://www.mycompasss.com) and log in with your username and password.

Select 'Check your wallet' top left on the first screen.

**You will see your balance and details of your recent debits and credits.** (by altering the dates at the top you can also see earlier transactions)

Ideally you should keep your balance in credit, but we will be tolerant of the odd small dip into the red!

The mycompasss site can also be accessed via a link on the Orewa Bridge Club website. Find this link by selecting **Table Money** on the Home page top bar.

**We will email this same information to you monthly.**
